

Data Sheet

RABBIT IgG

ANTIBODY, POLYCLONAL

| | |
|----------------------------|--------------------------------------------------|
| Catalog no.: | G 4004 |
| Immunogen: | Purified rabbit IgG |
| Host: | Donkey |
| Matrix: | Serum |
| Specificity: | The antibody reacts specifically with rabbit IgG |
| Contents: | 10 ml |
| Known applications: | RIA (second antibody, 1:8) |

This antibody has not been tested for use in all applications. This does not necessarily exclude its use for non-tested procedures. The stated dilutions are recommendations only. We suggest that the applicant titrates the antibody in his/her system using appropriate negative/positive controls.

| | |
|------------------|-----------------------------------------------|
| Store at: | - 20 °C |
| | Repeated thawing and freezing must be avoided |
